## An Open Letter to the CAROCP Membership

From: Randi Scott, Executive Director, CAROCP

Greetings to all CAROCP members. I am honored that our organization's leadership has selected me to be the CAROCP Executive Director for the 2009-2010 school year.

For those of you who do not know me, let me introduce myself. I have been a member of CAROCP for 28 years and I have worked in two, county-operated ROPs in northern California since 1981. I have been a CAROCP Co-Chair of the Legislative Committee and Strategic Alliance Committee for many years. I have held all the offices in the Northern Region. With this experience and my dedication to our organization, I will facilitate our operations and represent CAROCP in Sacramento and throughout the state.

As I begin to understand the unique requirements of the Executive Director's position, I will:

- ✓ follow the long-term strategies as directed by our mission statement, and monitor our timely and consistent progress on our strategic plan
- ✓ carry out requests of the board
- ✓ promote active and broad participation by CAROCP members in all CAROCP committees
- ✓ maintain official records and documents of our organization
- ✓ maintain a working knowledge of significant developments and trends in career technical education
- ✓ keep the board fully informed on all important factors influencing CAROCP
- ✓ publish the activities of CAROCP, its programs, services and goals
- ✓ establish sound working relationships and cooperative arrangements with other educational agencies and business/labor representatives as we work toward our future funding
- ✓ work closely with our CAROCP advocates, I will represent CAROCP's point of view to the members of the state legislature, and the governor's staff

I will be regularly posting information on the CAROCP website at [www.carocp.org](http://www.carocp.org) on the Executive Director's link.

Again, I am pleased to begin my duties as the Executive Director of this dynamic organization.

Sincerely,

Randi Scott, Executive Director
